*City of Port Townsend*

**Request for Qualifications: City of Port Townsend Golf Course Groundwater  
Development**

The City of Port Townsend is seeking qualifications for the development of a well capable of pumping 150 gpm (up to 34 acre-feet per year), which will be used for irrigation of the municipally owned golf course.

Information and instructions regarding this Request for Qualifications will be available via email at [ijablonski@cityofpt.us](mailto:ijablonski@cityofpt.us) or by downloading the documents from the City's website at [www.cityofpt.us](http://www.cityofpt.us) . If you download the documents directly, please email Ian Jablonski at [ijablonski@cityofpt.us](mailto:ijablonski@cityofpt.us) if you would like to be included on the submittal list. This will ensure that you receive any addenda issued by the City.

Proposals must be received no later than **2:00 PM March 8, 2017**.
